Dear Parents

Welcome back! I hope you had an enjoyable August and managed to find some time for some rest and relaxation.

We have had a very positive and happy start to the term. The children have joined their new classes with excellent behaviour and enthusiasm. In addition, I must thank you for making such an effort with the children's uniforms - they look so smart and many staff members have commented on their presentation.

Over the holiday two of our classrooms have been decorated from top to bottom. We moved the furniture out on the last day of term so the painters and decorators could start. New carpets have also been fitted and I am thrilled with the results. Mrs. Schofield's room and Mrs. Davis'/Mrs. Clay's room are completely transformed! Please feel free to pop in to have a look at the results. This is the beginning of an ongoing rolling programme to improve the school environment. We hope to be able to afford at least two classes each year, maybe more depending on our funds.

Our building work has also made tremendous progress and should be finished in a few weeks, which is very exciting. There are photographs of all the developments in the school entrance hall.

I would very much like to take this opportunity to express my sincere thanks to all the parents and children who came along on our wedding day. It was such a happy moment when we walked out of the church, through the archway made of ribbons, bows and flowers and saw so many familiar faces. We were very touched by all the gifts the children handed us: horseshoes, candles, lucky wooden spoons and home-made cards. It was so special. We really had a wonderful time and it meant so much to us that you could be part of it. Thank you also for the gift vouchers which we intend to put towards a picture for our lounge.
